CORPORATE KARTING

EVENT DETAILS & TARIFF

Corporate karting at the Clay Pigeon Championship Circuit is one of the more popular activities available today. The thrills of driving on a professional racing circuit, combined with the enjoyment of a group event for your Company, business, family or friends, is guaranteed to provide an unforgettable experience.

The raceway is one of the leading kart circuits in the country. Under professional event management this is an ideal outdoor environment where you can experience the excitement of a full race meeting. Corporate events are available for parties of between 10 ~ 60 people. The average lap times for the circuit are about 50 seconds ~ but these times are open to challenge! Each event is timed on our computer timing system and copies of results are available at the end of the event.

To participate in a corporate occasion, drivers have to be over 16 years of age. You will be driving identical twin engine Honda powered karts. These 11hp machines are capable of 60 mph and your specialised pit crew will ensure that your kart maintains a competitive edge. Each event follows the same procedures as those of a real race meeting with practice and qualifying sessions before hand.

Complete safety gear, overalls, gloves and helmets are provided. Flat shoes/trainers must be worn by all competitors. Superb engraved trophies and "bubbly" are awarded to the top 3 teams in the race.

With free and expansive car parking, all round viewing, grass picnic areas and adjacent catering facilities, Clay Pigeon Raceway offers the perfect introduction to real motor racing in a relaxed and fun environment.

Damon Hill, the World Formula 1 Champion in 1996 said "if any member of the public wants to get some idea of what it is like in a grand prix car, they should try driving a kart flat out....." Therefore why don't you try it with your business colleagues, friends or family?
